

2026 Packages and Nucs

I will be ordering and picking up honeybees from Heritage Honeybee (Tim Wilbanks) this spring with anticipated delivery the first week of May. I would like to have the orders in by the end of February, but I understand that some of us will lose hives later in the season. Tim is willing to work with me on adding some additional hives to help cover those late season losses.

I would prefer orders by text (fill out the form and take a picture and send it to me (920) 495-8457, or emailed to me, Max Martin (deanna.max.martin@gmail.com))

You pay for the Bees when you pick them up at Max and Dee's house:

4419 Walker Rd Sturgeon Bay WI 54235.
